The V Centre

The V Centre Veteran Empowerment Program is a unique initiative specifically for veterans who are homeless, or on a path towards homelessness, or unable to overcome the challenges they face.

Nearly 6000 veterans are homeless in Australia. The male veteran suicide rate is double the rate of the general male population and for female veterans it's even worse.

The V Centre provides safe accommodation combined with an individually tailored program of support, with guidance from experienced veteran support staff.

Impact

In its first year of operation, the V Centre Veteran Empowerment Program has:

- ✓ Provided over 4,000 nights of accommodation to veterans who would otherwise have been homeless, or on a trajectory towards homelessness
- ✓ Changed lives for the better
- ✓ Empowered six veterans to find work and find new purpose in their lives, also reducing reliance on unemployment benefits
- ✓ Empowered eight veterans to take up volunteering, increasing self-confidence
- ✓ Empowered six veterans to take on further study/education for future employment
- ✓ Saved at least two lives that we are aware of, and likely more

Our 'Sponsor-A-Room' Program

The V Centre Program is free for those who need it and we ask for a rental contribution from those who can manage it. However, it costs \$214 per veteran per night - or \$78,000 per veteran per year. We do not receive any government funding - we rely on our Corporate Partners, Sponsors, donations and fundraising to run this program. Your business, large or small, has the power to make a real difference.

Your Investment

Become a 'Sponsor-A-Room' Partner. There are options for 1, 3, 6 or 12 months:

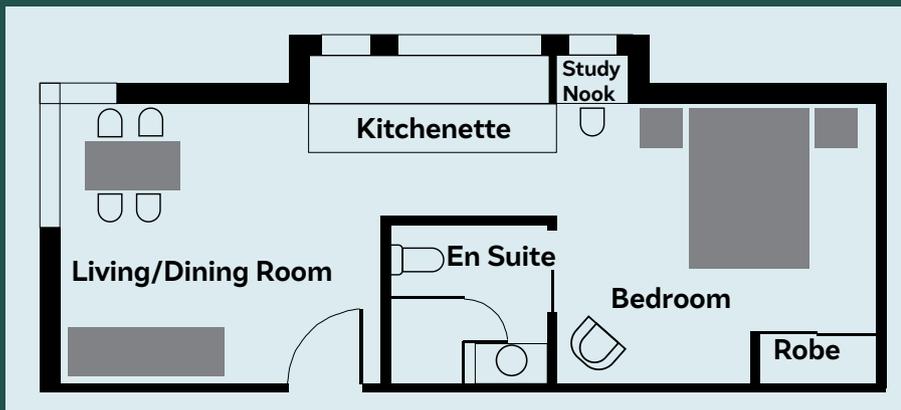

1 month	\$ 6,500
3 months	\$19,500
6 months	\$39,000
12 months	\$78,000

Payroll Donations

Does your organisation offer Payroll Donations (also known as Workplace Giving)?

Workplaces:

Employees:

Many medium-sized and larger organisations offer 'Payroll Donations' or 'Workplace Giving' to their staff.

Ask your workplace about making a one-off or regular donation through your salary - it's very straightforward and there are tax benefits to both donor and recipient.
